Getting to Your Meetings

Inside the House Office Buildings

█ Public, Handicapped Accessible Entrance
 █ Public Non-Handicapped Accessible Entrance
 █ Entrance Member/Staff-Only Until 10 AM

- Use the floor plans below to orient yourself once inside House office buildings; the floor plans are identical for different floors within the same building
- To identify offices, keep in mind that the first digit identifies the building (three digit numbers are in Cannon, four digit numbers starting with 1 are in Longworth, and four digit numbers starting with 2 are in Rayburn), the next number indicates building floor, and the last two numbers indicate specific office
- For example, Room 2255 is on the second floor of Rayburn

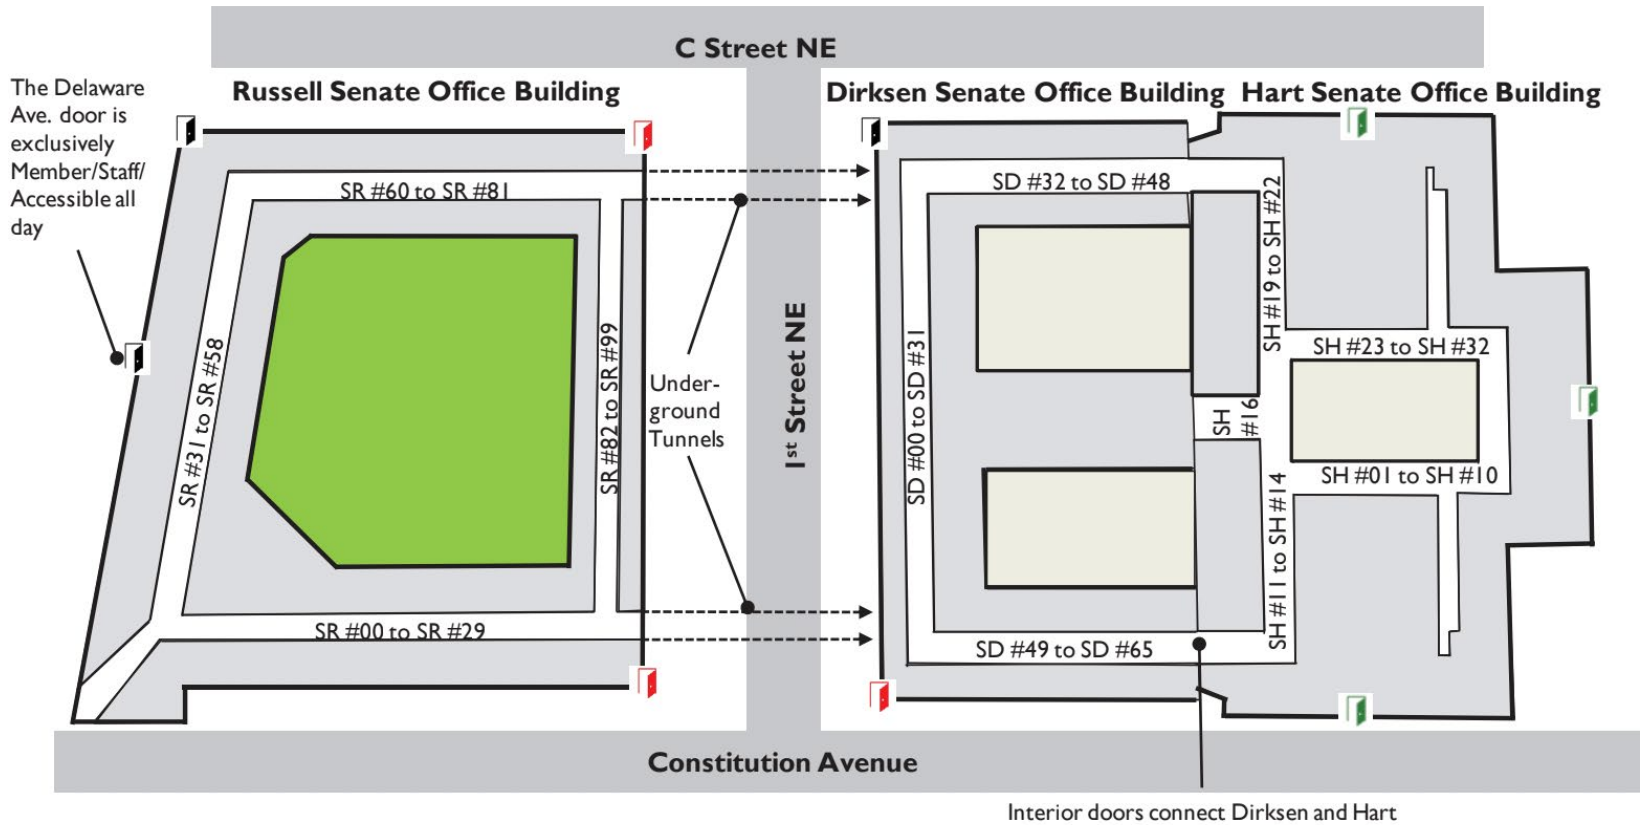

House Numbering System

- **Cannon (CHOB)** – three digit-numbers, first number indicates the floor (B means basement)
- **Longworth (LHOB)** – four digit-numbers beginning with 1, second number indicates the floor starting with ground floor (1035 is ground/1105 is first floor)
- **Rayburn (RHOB)** – four digit-numbers beginning with 2, second number indicates the floor (B means basement or SB means subbasement)

Inside the Senate Office Buildings

█ Public, Handicapped Accessible Entrance
 █ Public Non-Handicapped Accessible Entrance
 █ Entrance Member/Staff-Only Until 10 AM

- Use the floor plans below to orient yourself once inside Senate office buildings; the floor plans are identical for different floors within the same building
- To identify offices, keep in mind that the first two letters before the office number identify the building (e.g., "SR" is Senate-Russell), the next number indicates building floor, and the last two numbers indicate specific office
- For example, SD 249 is on the second floor of Dirksen.

Senate Numbering System

- Dirksen (DSOB) – SD indicates Dirksen, first number indicates the floor
- Russell (RSOB) – SR indicates Russell, first number indicates the floor
- Hart (HSOB) – SH indicates Hart, first number indicates the floor

Capitol Building Numbering System

- Rooms start with "H" or "S" to indicate whether they are on the House or Senate-side of the Capitol
- Single digits (H1, H2, H3) are in the basement
- Three-digit numbers indicate floor; so H-101 is on the first floor; H-201 is on the second

Tunnels

- Easy walk underground between office buildings to avoid entering and exiting security. (Follow the signs!) House-to-Senate tunnels closed to public unless with staffer.
- Senate to Senate
 - RSOB and HSOB connect on basement; DSOB and RSOB connect on every level
- House to House
 - LHOB to CHOB via LHOB basement; LHOB to RHOB via LHOB subbasement

In Your Meetings
