- Use the floor plans below to orient yourself once inside House office buildings; the floor plans are identical for different floors within the same building
- To identify offices, keep in mind that the first digit identifies the building (three digit numbers are in Cannon, four digit numbers starting with 1 are in Longworth, and four digit numbers starting with 2 are in Rayburn), the next number indicates building floor, and the last two numbers indicate specific office
- For example, Room 2255 is on the second floor of Rayburn
